6. CALIFORNIA SUPPLY CHAIN TRANSPARENCY

Required California Disclosure: California Supply Chain Transparency

Car Loan California recognizes the serious nature of the crimes of human trafficking and slavery. Car Loan California has taken and will take every reasonable effort to ensure that its supply chain is free of products that are tainted by human trafficking. Because all of the vehicles sold by Car Loan California in California are used vehicles, and all of the replacement parts Car Loan California uses in its reconditioning process are purchased from other retailers, Car Loan California believes that it has taken all necessary steps to audit and reasonably mitigate the risk that its products are tainted by the crimes of human trafficking and slavery.

Car Loan California verifies product supply changes and conduct audits of its suppliers to evaluate and address risks of human trafficking and slavery. Car Loan California requires direct suppliers to certify that materials incorporated into its products comply with the laws regarding slavery and human trafficking of the country or countries in which they are doing business. Car Loan California maintains internal accountability standards and procedures for employees or contractors failing to meet company standards regarding slavery and trafficking. Car Loan California provides training on human trafficking and slavery to its employees and management who have direct

responsibility for supply chain management and will immediately cease doing business with any vendor or supplier who is found to be non-compliant with Car Loan California's standard of business concerning any human trafficking and slavery.
